Dear Eureka Elementary Families & District Staff,

I wanted to provide an update on our current transition plan with the principal vacancy at Eureka Elementary. I would like to introduce Ms. Noelle Palasty as our Interim Eureka Elementary Principal. Ms. Palasty brings a wealth of experience as a retired elementary principal and special education teacher, having served as an Elementary Principal for twelve years before retiring at the end of the 2022-2023 school year.

Ms. Palasty will be working with Mr. Fillwock, the Eureka Staff and District Office over the next several weeks to help with the transition. She will be in attendance at our district professional development on Tuesday and at Eureka's Open House, where families and students will have the opportunity to meet her!

The posting for the Eureka Principal vacancy has been posted internally since the beginning of the week and will be posted externally later this afternoon. I do not have a timetable as to when we will fill the permanent position. Please be patient with this hiring process; it is a difficult time of year to replace an administrator and we want the best possible candidate for our students and staff.

Feel free to introduce yourself to Ms. Palasty when you have the opportunity!

Sincerely,

A handwritten signature in blue ink, appearing to read "A. Berthiaume".

Dr. Anthony Berthiaume, Ph.D.

Superintendent

Together, we succeed.
